CLASS POLICIES/BUSINESS "BEST PRACTICES" - SYLLABUS CONTRACT
Please note: The class policies and grading criteria are part of your "contract" with me in this class. Once you register for this class, you agree to the terms and conditions of this contract (In other words, please don't come to me at the end of the semester trying to "renegotiate" the terms and conditions of this contract because of the grade you receive). Please read the fine print!

1. Before the week begins, read assigned chapters, complete homework, and check Canvas for the week's announcements. If you don't understand certain concepts in the readings, ask questions in class or schedule a time to meet with the professor. Students who carefully read the chapters for the week perform better in the class.

2. Attendance (Extra Credit)
   a) Regular attendance in class is expected, and adds extra points to your grade. Attendance will be taken randomly over the course of the semester. Students who attend class on a regular basis attend on time usually earn a higher grade in the class. Students who are late are counted absent. In the business world if you are early you are on time. If you are on time you are late. If you are late, don’t bother showing up.

   b) If you miss any class sessions, you’re responsible for getting notes and finding out details about the assignments that have been discussed on that day from your colleagues.

   c) Homework assignments and in-class exercises reinforce key concepts covered in the text and in lecture. If you miss class, you miss the opportunity to complete exercises that add points to your grade.

3. Oral Assignments – Presentations and final speech
   a) All presentations/speeches are conducted during class time. If a student misses his or her presentation, the student’s presentation grade will be a “zero.” If a student is late on his or her presentation day, ten points will be deducted from the student’s presentation grade. Presentation/speech dates will not be changed once a student confirms the date.

   b) All students must wear professional business suits for the presentations. Points are deducted for inappropriate attire.

4. Written Assignments – This course has an online component, so you will use Canvas to turn in assignments (no printouts or emails). Assignments are only accepted on time, or you may submit assignments early. The IT service desk can help if you have computer trouble: 704-687-5500. Please note that Canvas is optimized for Firefox; sometimes switching to Firefox can help. Technical difficulty is not an
excuse for missing an assignment deadline.

a) All assignments you turn in must be typed and uploaded to Canvas by the assigned deadline in order to avoid a zero on the assignment. Also, please use 12 point font size in Times New Roman or Arial for better readability.

b) Plagiarism detection system used
   As a condition of taking this course, all required papers may be subject to submission for textual similarity review for the detection of plagiarism. You will upload your assignments directly into Canvas.

   Plagiarism, as defined in the UNC Charlotte code of student academic integrity is:
   • Submitting the work of another as your own.
   • Directly quoting from a source without proper citation or use of quotation marks.
   • Paraphrasing or summarizing another’s work without acknowledging the source.
   • Using facts, figures, graphs, charts, or information without acknowledging the source.
   • Purchasing and/or copying commercial term papers or other course work and submitting as your own.

   At the very least, plagiarism will be reported to the Dean of Students and the student will be given a “zero” on the assignment with the possibility of more severe penalties (failing the course, expulsion from the university, etc.).

c) All written assignments will be graded on content, format, organization, grammar and spelling. Always proofread and edit your assignments before turning them in. The following criteria will be used in grading your written assignments:
   - Content (missing important information/details) - 5 each
   - Organization (direct/indirect style) - 5 each
   - Misspelled words - 5 each
   - Format errors - 2 each
   - Subject/verb agreement, awkward phrases, dangling expressions, tone, punctuation, grammar, conciseness, clarity, sentence/paragraph length, coherence, word choice, active/passive voice, parallelism, transitions

5. Online Homework Assignments – Online homework assignments will be available through Canvas/Pearson MyLab and Mastering with specific deadlines assigned. Pay close attention to deadlines in order to avoid zeroes on the homework assignments. MyLab homework is noted in red in the syllabus.

6. If you miss a written assignment, speech, or presentation, you will receive a “zero” unless you have a documented, excused absence from the Dean of Students Office. In the case of an excused absence, you may make up the work. Absences may be excused for personal illness or participating as a University
representative in an athletic or out-of-town event.

7. Questions about grades must be discussed with me within two class periods after receiving the graded work.

8. Extra Credit
   A minimum of five points and a maximum of ten points in extra credit may be earned on specified assignments and/or attendance. Please contact me if you have questions about extra credit earned.

8. Cell Phones and Video Recordings
   Please turn off all cell phones during class. Use of cell phones during class and/or video recordings of lectures is prohibited.

9. Statement on Diversity
   The Belk College of Business strives to create an inclusive academic climate in which the dignity of all individuals is respected and maintained. Therefore, we celebrate diversity that includes, but is not limited to ability/disability, age, culture, ethnicity, gender, language, race, religion, sexual orientation, and socio-economic status.

10. Academic Integrity
    Students have the responsibility to know and observe the requirements of The UNC Charlotte Code of Student Academic Integrity. This code forbids cheating, fabrication or falsification of information, multiple submissions of academic work, plagiarism, abuse of academic materials, and complicity in academic dishonesty. Standards of academic integrity will be enforced in this course. Students are expected to report cases of academic dishonesty to the course instructor. All students are required to read and abide by the Code of Student Academic Integrity. Violations of the Code of Student Academic Integrity, including plagiarism, will result in disciplinary action as provided in the Code. Definitions and examples of plagiarism are set forth in the Code. The Code is available from the Dean of Students Office or online at: [http://www.legal.uncc.edu/policies/ps-105.html](http://www.legal.uncc.edu/policies/ps-105.html)

11. Starfish Academic System
    Starfish ([www.starfish.uncc.edu](http://www.starfish.uncc.edu)) – As per the Advising Center, Starfish is “an academic early alert and advising connect software system. It allows instructors to send systematic notifications to students regarding their academic progress in their courses referred to as flags, kudos, and referrals.” Students sign into Starfish using their NinerNET IDs and passwords. Please use Starfish to make appointments with me during office hours. Also, I may periodically send you an alert to encourage you or provide informal feedback on your performance in the class.
