TEXT: Business Law 13e, Clarkson, Miller, Cross (Required).
       [Customized Text with Chapters 1-24 ISBN: 9781305301894

DESCRIPTION: A study of the legal setting of business and its relationship to the
              business firm. Topics covered include: the nature of law, criminal
              and civil procedure and the court system, business ethics, courts
              and alternative dispute resolution, constitutional authority to
              regulate business, criminal law, the law of torts, contracts and
              sales law, product liability, intellectual property and cyber law.

COURSE OBJECTIVE: To provide the student with an understanding of the legal and
                  ethical issues affecting the manner in which businesses operate.

SCHEDULE: T – 6:30 P.M. – 9:15 P.M. – Rowe 130 - Lecturer will be
           available prior to and after class, as well as by appointment.

ATTENDANCE: Class attendance, as well as class participation, may influence the
            final grade. Absence at roll-call will be considered as an absence.
            Regular attendance, promptness, and appropriate classroom
            decorum is expected. Frequent tardiness or disruptive classroom
            behavior may result in a substantial grade penalty at the discretion
            of the lecturer. Excessive absenteeism will result in a reduction of
            the student’s final average grade. Excessive absenteeism is
            defined as more than two unexcused absences. A student may expect
            two points deducted from his or her final average grade for each
            unexcused absence in excess of two. In order to receive a grade
            above “D”, a student must attend at least 60% of scheduled classes
            (an absence, whether excused or unexcused, will be counted as an
            absence for the purpose of this computation).
GRADING: A = 90 - 100  B = 80 - 89  C = 70 - 79
               D = 60 - 69  F = Below 60

There will be three (3) scheduled exams of equal weight. Students may be required to bring a #2 pencil to each exam. One or more exams may be given with or without notice and will be given the same weight as regularly scheduled exams. Exams will be averaged together to determine the final exam grade. The final average may, at the discretion of the Instructor, be adjusted to reflect class attendance and participation. Students should make every effort to take exams on dates scheduled and should contact the lecturer if an emergency arises.

RECORDING  Students must obtain permission from Lecturer to use audio recording equipment. Mobile Telephones must be “Turned Off”. No video equipment or photographs will be allowed.

ACADEMIC INTEGRITY: It is the policy of the course to follow the UNC Charlotte Code of Student Integrity as set forth in the Catalog. The code forbids cheating, fabrication or falsification of information, multiple submission of academic work, plagiarism, abuse of academic materials and complicity in academic dishonesty. Students are expected to exhibit a level of personal honor and integrity that will bring credit to themselves and the University. Students who violate the code will be punished to the fullest extent possible. In short, academic dishonesty will not be tolerated by this instructor or the Department of Finance and Business Law. Any student in possession of a Business Law I Examination (without permission) will be given an “F” in the Course. There will be no exceptions to this rule. At the end of each examination, in order to receive a grade, students will be required to hand in their examination booklets, and their scantron sheets indicating the test booklet number (if an erasure on a scantron causes the answer to be marked as incorrect, there will be no correction – again, there will be no exception to this rule).

DIVERSITY  The Belk College of Business strives to create an inclusive academic climate in which the dignity of all individuals is respected and maintained. Therefore, we celebrate diversity that includes, but is not limited to ability/disability, age culture, ethnicity, gender, language, race, religion, sexual orientation, and socio-economic status.
