Fall Networking Events

The Turner School of Accounting and the Eta Alpha Chapter of Beta Alpha Psi host two events each September to provide opportunities for students, faculty, alumni, and area professionals to meet on the UNC Charlotte campus. The *Accounting Picnic* provides an informal atmosphere and a chance to engage in conversation while enjoying lawn games along with catered food and beverage. *Meet the Professionals* is a more traditional affair where business professional attire is appropriate. During *Meet the Professionals*, each organization is assigned a room to host students during an allotted time to focus in on the details of their organization. If you have questions or would like more information, please contact Robert Monaghan (rmonagha@uncc.edu).

Beta Alpha Psi – Eta Alpha Chapter

Beta Alpha Psi is an international honorary organization for financial information professionals and students. The Eta Alpha Chapter at the University of North Carolina at Charlotte was chartered in 1984. The chapter has a long history as an active student organization, consistently achieving superior chapter status. The chapter engages in various community service activities and hosts speakers at weekly professional meetings during the academic year. If you are interested in finding out more about the chapter or becoming involved with chapter activities, please visit:
